Brendon Owen - Membership Secretary

Simon Brimble - Corporate Liaison

Andy Richardson – Supporter Liaison

The position of Trust Secretary remains unfilled. An approach to be made to our volunteer graphics expert for an updated poster to be circulated.

Finances

Balance of £5,200

Membership

Total membership now stands at 168. SB has pulled together the membership data base and has identified all members who have not renewed to date. Reminders have been sent to all on-line users and a further nudge has also been sent. There are a number of postal non-renewed memberships that need to be targeted. **Action: SB & BO to compile list and send renewal letters.**

The on-line shop is now up to date with only four renewals awaiting BACs confirmation.

Co-option of Board Members

Agreed that at this present time there is no need to co-opt further Board members. Our current need is for volunteers and a new Secretary.

Big 10 Challenge

Following a widespread request to all supporters for ideas for the Challenge a fair number have been received. With the closure date on 10th November it was agreed to request our volunteer graphics expert to promote the Challenge for the final few days.

Any Other Business

BO referred to a letter received from Supporter's Liaison Officer, David Mills. In it he lists several complaints said to have been made by fans about the Trust's activities in the tent. All Board members were appalled at the nature of these allegations and agreed to publish the letter in order that all members might see the nature of these complaints. It was agreed to suspend all Trust involvement in the tent whilst these complaints were responded to. **Action: SB to contact David Mills to advise that a response would be sent in a timely fashion. (Subsequently it was realised that the word 'Confidential' had been inserted at the very top of the letter and as such the complaints would not be available for members to read immediately. Agreed to speed up the response in order that details could be divulged to members as soon as possible.**

Date of next meeting: Wednesday 6th December 2017, 7.30pm. Club 94.
